

# BEND TOOL GUIDE

Python Bend Tool Guide	
Python Pipe Size	Bend Tool Size
1/4"	1/2"
3/8"	1/2"
1/2"	5/8"
5/8"	3/4"
3/4"	7/8"
7/8"	1"

## 1/4", 3/8", 5/8", 3/4" PYTHON PIPE

- These sizes can be bent by hand into swooping 90° bends or can be bent with a ratchet tube bender (as shown below) or a lever arm tube bender.

FLEXIBLE | LIGHTWEIGHT / KINK-RESISTANT

## 7/8" PYTHON PIPE

- The U and L shape pipe section was bent with imperial 1" lever arm pipe tube bender
- The swooping 90° bend was bent by hand by standing on the leading end of the pipe and lifting the pipe upward

Imperial 1" lever tube bender

FLEXIBLE | LIGHTWEIGHT / KINK-RESISTANT
